Sir,

Sub:- West Pakistan Refugees - Renabilitation - Allotment of Sheets - Requested.

I regret to state that I have submitted you an application on 5-5-50 at Madras for which I have not received any reply from you till now.

I am an unfortunate refugee of West Pakistan and for renabilitation was allotted to Bellary for Trunk work with a loan of Rs.250/-

I got the loan in the month of November 1949 and I got the first quota of iron sheets in the month of January, 50 and afterwards no quota is allotted to me till nowm and I do not know How can live in this way.

I went to Madras twice in this connection personally and met the Director of Controlled Commodities, and each time I met him I got an ready reply that I will receive quota within a week.

May I request you Sir, to take immediate steps to get me quota, so that I may earn my livelihood.

Thanking you,

Yours faithfully,
